ABOUT A SQUARE GO KARTING

- A Square Go-karting is a premier destination for adventure enthusiasts in Visakhapatnam, offering a blend of thrilling activities, recreational sports, and adrenaline-pumping events. Situated in the scenic locale of Anandapuram, the facility is designed to cater to people of all ages, from first-time adventurers to seasoned thrillseekers.

Renowned for its modern infrastructure, safety standards, and engaging activities, A Square Go-karting has quickly become a favourite spot for individuals, families, and corporate groups looking to unwind and enjoy memorable experiences.

WHY SRIKAKULAM?

Srikakulam, gracefully situated on the banks of the serene Nagavali River, is one of the prominent cities in Andhra Pradesh. Known for its rich history, vibrant culture, and strategic economic importance, the city has become a nucleus for industrial, agricultural, and infrastructural development. Over the years, Srikakulam, historically known as 'Chicacole' and celebrated for its heritage as the city of the Sun God, has been blending its profound ancient roots with modern advancements. The city and its surrounding urban agglomeration have a population of approximately 200,000 as of 2025.

WHY A SQUARE GOKARTING

A Square Gokarting brings 15+ years of experience in designing and operating safe, high-performance karting tracks with a proven track record across three successful branches in Andhra Pradesh. The brand follows professional safety, maintenance and operations standards, ensuring reliable, hassle-free functioning inside a premium mall environment. Strong associations with youth-centric brands and event experience enable engaging launches, tournaments and promotions that drive sustained footfall for the mall.
